In addition to being an accomplished cyclist, author and commentator, Bob Roll is known as a friendly figure in the cycling community. Bob Roll's frequent visits to cycling shops around the country spark sales like throwing lighter fluid on a hot grill. Many shops have requested the "second coming" of Bob to their shops.

Bob Roll's newest endeavor has been starting his new website, www.bobroll.com, concentrating on the cycling industry today.

Currently a resident of Durango, Colorado, Bob enjoys spending his free time with his 11 year old daughter, Ruby, on the slopes and occasionally entering in a local downhill ski race.
